SORE HAN

Red, Rough Hands, Itching **Burning Palms and Painful** Finger Ends

ONE NIGHT TREATMEN

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry. and anoint freely with CUTICURA, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

Millions of Women Use Cuticura Soap

Exclusively, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandrud, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chaings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. Curicusa Soar combines deficate emollient properties derived from Culi-cusa, the great sain cure, with the purest of cleansing ingredients and the most refresh-ing of flower oders. No other medicated soan ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic tillet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion scap, the BEST tollet and BEST
